Full service history.

This stunning SLK comes to us with full service history and in great condition. The paintwork is finished in the iconic Mercedes 744 Silver and is in great condition all around.

The interior is trimmed in black perforated leather with minimal signs of wear, the centre console and door handles are surrounded by turned aluminium. The electric roof is simple to operate and fully functioning.

The 2.3 litre engine has the added benefit of the factory fitted Kompressor, thanks to thick service file (pictured on our website) the vehicle is in excellent mechanical condition and ready to be driven away. In our showroom and ready for viewing.
