Vintage and Prestige Fine Motor Cars are proud to be offering this 1928 Packard 533 Golfers Coupe for sale. A spectacular Packard in mint order throughout. This right hand drive example was sold new to the UK in 1928 and has remained here since. The Packard 533 spent nearly forty years under single ownership during which time, it was dry stored and beautifully preserved with low miles on the chassis. The Packard 533 was purchased in 2012 at which time a huge restoration project undertaken leaving it in the condition we find it in today.

The paint is in 'Azure Blue & Black, and is in pristine condition. New carpets have recently been fitted as has blue hide upholstery to the seating surfaces. The Packard 533 comes with a brand new black double duck hood. Under the bonnet the rebuilt six cylinder engine displacing some 4.3 litres is utterly smooth running and silent.

The Packard 533 is equipped with a useful dickey seat accommodating four up motoring and has a small hatch where a set of gold clubs may

be inserted. The spare is rear mounted and has a smart black cover. A huge amount of money and effort has been put into this car leaving it in prize winning order throughout.
