ADDITIONAL INFORMATION / SERVICE HISTORY

1998 Aston Martin V8 Volante LWB Left Hand Drive.

Chassis number: SCFDAM209WBL89023

Registration number: S17VOL

A beautiful rare car with less than 8000 miles from new. The current owner acquired this car from the first owner, a good friend from Germany who purchased the car brand new in Monaco & used it sparingly at his residence there. The current owner has also scarcely used the car as it has resided amongst his collection of Bentley Aston Martin & Jaguar motor cars in Brussels. It has been serviced upon arrival by ourselves having previously been serviced by Aston Martin Brussels & Aston Martin Hamburg.

The car is finished in unmarked dark metallic Antrim blue to the exterior along with a perfect blue mohair hood. To the interior is beautiful cream hide throughout piped in dark blue. Burr Walnut woodwork completes the ensemble. It has been always garaged throughout its life which shows in the wonderful condition of the car.

The car comes to us with its original owners pack & books etc & also an Aston Martin supplied certificate of conformity. This car is number 23 of the 63 examples ever manufactured.

The car is in stock now & ready for immediate viewings.
