VEHICLE DETAILS

ADDITIONAL INFORMATION / SERVICE HISTORY

Phantom 5 James Young Touring Limousine.

Chassis number: 5VA47

Registration number: Swiss Registered

Coming from a private Swiss collection this phantom V has always been garage kept & is in superb condition showing just 64,000 miles on the odometer. The body, number 9163 is a beautifully constructed example of James Youngs touring limousine with division & occasional seats.

The car is finished in Midnight Blue with the paint being super throughout. To the interior is original lightly patinated grey/blue hides to all the seating surfaces with matching carpets under foot.

The division has the usual beautifully appointed drinks cabinet in burr walnut along with twin fold out picnic tables. The car has been maintained without regards to cost by the local Rolls Royce specialist.

Under the bonnet the engine bay is very tidy with no signs of corrosion at all. The

car starts easily & drives beautifully with smooth imperceptible gear changes & ample power from the V8 engine. This is a way way above average example & is the epitome of 1960's elegance & style for formal motoring.

The car is to be sold freshly serviced & ready for immediate use.
