ADDITIONAL INFORMATION / SERVICE HISTORY

1977 Mercedes 350SL W107 Convertible

Vin Number: 10704322012651

Registration Number: ODL100R

Owned from new by father & daughter!!! This W107 Cabriolet has covered a scant 61,597 miles to date. The father purchased it new but immediately the following year bought an SL500 model leaving the 350 for the use of his daughter who has kept it up to this day.

The car is finished in unmarked original desert Tan with immaculate brown leather to the seats with tartan inserts. This is a time warp car that has lived in a heated garage its entire life & consequently is utterly corrosion free. Little used in recent years, the car has just had a full service & a set of new tyres installed to make it ready for its next owner. At the same time a preventative rust treatment was done to the underside & a new exhaust centre section fitted as condensation had caused a few pinholes to appear in the bottom of the exhaust.

The hood is dark brown & factory original not having been put up in years as the car has always been used with its removable hard top in situ.

Not much more need be said about this car as really it speaks for itself. It is a low mile low ownership timewarp example & is having a full valet performed upon it to put it in tip top order for the next lucky owner.
