ADDITIONAL INFORMATION / SERVICE HISTORY

1927 Rolls Royce 20hp Park Ward Limousine

Chassis number: GAJ71

Registration Number: BF4133

Under the current ownership for 17 years, this car has been sparingly used & is in lovely running condition. The owner, a dealer in heavy plant & equipent has had his in house workshop maintian the car during his tenure.

The car is tidy under the bonnet with a smooth & sweet runniing engine. It runs along very comfortably at 40 to 50MPH & is well suited to B road motoring but also takes A roads in its stirde.

The interior has been redone in coffee brown leather at sometime in the last few decades & as a result is in really fine condition. Twin occasional seats fold out of the bulkhead allowing for 7 people to be conveyed in comfort.

Paintwork is in excellent condition, being black over a very light cream. All woodwork is ince original condition & there is a cocktail cabinet between the occasional seats. The spare wheel is side mounted but there is also provision to mount iton hte rear of the car if the luggage rack is not being used.

All in all a lovely little 20hp that is a joy to drive. Steering is precise & paly free; the suspension soft & undulating. It makes an interesting comparison with the identical unrestored one we also have in stock. https://vandp.net/sales/1470/1927-rolls-royce-20hp-park-ward-saloon
