A low ownership Spanish registered car on Spanish historic plates that has seen dry Spanish use only & is thus utterly corrosion free. The dash board moreover is signed by Fernando Alonzo.

This car has covered 86,000 KMs from new & is in impeccable condition having been properly & regularly maintained. It is finished in unmarked traditional ferrari red along with perfect Tan leather seats. It sits on four unmarked original Ferrari star pattern Alloy wheels shod with 4 good tyres.

The current owner a well known restaurant proprietor has used it sparingly on high days & holidays in addition to attending local classic car meetings & now decided to part company with it. This car is close to perfection in condition & perfection needs but few words.
