ADDITIONAL INFORMATION / SERVICE HISTORY

1987 Morgan 4/4 4 Seater with plus 4 body.

Chassis number: C7260

Registration Number: D503KWU

Ordered new in 1987 in traditional Connaught Green & with a black leather interior which was redone in 2009 along with new carpets. Additionally the engine was upgraded to 1905cc by specialist engines & a stainless steel 4 branch exhaust fitted meaning the car goes extremely well. A K & N airfilter is also installed.

A telescopic rear suspension conversion was also carried out & front suspension modified including removal of the damper blades making for a better ride all round.

All sorts of options were ordered when new including: Removeable roof bar, Tow Bar, SS luggage rack, Spot Lamps, Radio Ariel with speakers, Badge Bar, Door Stops, Organ style accelerator pedal, wind deflectors, Map reading light, Librands foot locker for valuables, Sun visors & rear seat belts.

A new hood was fitted by main dealer Allon White in 2008 and new wings were fitted in 2007 by Tudor motor bodies. The car comes with a large file of bills & also incremental MOT certificates up to the current mileage of 97,000. Clearly this has

been a well looked after & cherished car.

Overall it is in excellent condition having been enthusiast owned. The green paint presents very well & the interior black leather is also in very very good condition as is the hood. The car sits on knock off wire wheels shod with recent tyres all round. Side screen windows come with the car making it snug inside when the roof is up.
