### VEHICLE DETAILS

#### ADDITIONAL INFORMATION / SERVICE HISTORY

2001 Porsche 911 Carrera 4 Cabriolet manual 3.4 litre 996 Model.

Vin Number: WPOZZZ99Z1S643722

Registration Number: Y588UGN

One owner from new in St Johns Wood where the car has been garaged from new.

This car has been sparingly used & has covered just 27,000 miles from new, used by the first & only owner during his trips to the UK.

This is a very high spec car with all sorts of extras when new. The car comes in a very deep special order metallic purple paintwork which appears almost black in the evening light. Having been garaged the paint is in very very good condition.

To the interior is black leather to the front & rear seats. The car sits on four unmarked lattice style alloys wheels shod with 4 good tyres.

Servicing has been carried out by main dealers HR Owen & also by Porsche Chiswick. A Hampstead Porsche specialist has also serviced the car several times. Now being sold due to lack of use in the last three years, the car is about to have a major full service on October 9th at noted dealer JZM of Kings Langley to make the car absolutely ready for its next lucky owner. In the last 10 years the car has covered a scant 3,000 miles on the occasions when the current owner visits his

London Pied a Terre. New front discs & pads were fitted just a couple of hundred miles ago.

You have to see this car to appreciate the condition. The engine bay is mint & looks like new with a total absence of any corrosion. The front boot has the original wind deflector stowed in its protective bag & also the tool roll & book pack. A Pioneer sat nav/communications centre has been installed to the middle of the dash with a nod to modernity.

It is not the cheapest 911 on the market from the 1991 year but you will struggle to find a finer lower mile example. Test drives may be arranged after the service has been completed, second week of October.
