ADDITIONAL INFORMATION / SERVICE HISTORY

1934 Rolls Royce Phantom 2 H.J. Mulliner Sports Saloon

Chassis Number: 84SK

Registration Number: BLD721

Purchased by the current owner in 1979. This Phantom is in excellent running order having resided for the last 4 decades in a 200 car collection in Denmark where it has been looked after without regard to expense.

Coachwork is a stylish sports saloon by H.J. Mulliner of Chiswick painted in off white with the paint in great order. To the interior is seating for 5 on good patinated black leather. Twin Picnic tables are fitted to the seat backs.

Twin side mounted spare wheels are located on the running boards. Inside the boot lid is a fold open tray containing a full set of factory supplied small tools. The car is currently EEC taxes paid but also comes with an old style UK V5c log book.

The engine is quiet, starts easily & pulls strongly in all gears. Likewise the gear box is a pleasure to use & the ride soft & pliant. A wind up division affords privacy to the rear passengers but the car is also spacious up front & well suited to the owner driver.

The car is located in south West Denmark about 1.5 hours from Copenhagen where it may be viewed by prior appointment.
