ADDITIONAL INFORMATION / SERVICE HISTORY

2020 Ford Ranger Quad Cab Wild Trak 3.2 Litre Diesel Automatic

Vin Number: 6FPPXXMJ2PKS26113

Registration Number: KO69BVE

A really nice example in super condition. This Ranger Wildtrak comes to us with just one former keeper who clearly looked after it very well. It was last serviced by Ford on 27/09/2024. It has a fresh MOT certificate expiring in September of 2025 so is absolutely ready to go. The vehicle has covered a low 36,000 miles from new.

This is a high spec example with full black leather seating to the front & to the rear. It comes with both keys & has a tow pack fitted. The 18" alloys in boulder grey are pristine & fitted with 4 recent tyres all round. The plastic bed liner is in really nice order & has the sliding locking bed cover to secure the contents. Side steps are also installed on the car.

This is the larger engined 3.2 litre diesel model linked to the 6 speed automatic gear box. It is very clean & tidy in the engine bay like the rest of the car. It comes with all the options one might expect including heated seats & cruise control.

It is ready for immediate viewings at our showroom. The mileage may increase

whilst we have it in stock as its such a pleasure to drive it.
