#### ADDITIONAL INFORMATION / SERVICE HISTORY

2009 Bentley Azure Second generation

Vin Number:

Registration Number: 2SWG (not with car.)

A simply immaculate second generation car with just 30,000 miles covered from new. This Azure has been properly maintained with a host of main dealer service stamps in the service book, the most recent being less then 1000 miles ago in 2023.

The car is finished in unmarked metallic white to the exterior with a lovely dark navy blue lether piped in cream to the interior & light walnut to the dash board. This is a low ownership car that wants for nothing & is absolutely ready to go. Viewings are by appointment near Boston Lincs where the car is privately garaged.

Perfection needs but few words!!!
