VEHICLE DETAILS

ADDITIONAL INFORMATION / SERVICE HISTORY

1958 MGA Roadster.

Vin Number: MGA58470

Registration Number: FSK608

Under the current ownership since 2012. This MGA has been set up for fast road use with a tuned engine, bumpers removed & roll cage fitted. It has immaculate minilite wheels shod with 4 excellent nearly new tyres.

Needless to say it goes as well as it looks making all the right noises & has taut crisp handling with good road holding. It was shipped when new to America as a left hand drive car which accounts for its fine state of preservation, having been converted back to Right hand drive when it arrived back on these shores.

The bucket seats are fitted with full harness seat belts. This is a car well suited to hill climbs or track days but is equally good fun on twisting A & B roads. The green paint is in excellent condition as indeed is the car as a whole.
