ADDITIONAL INFORMATION / SERVICE HISTORY

1933 Rolls Royce 20/25 Sedanca by Thrupp & Maberly

Chassis Number: GRW27

Registration Number: VTK777

Simply the best we have ever seen. This car won prizes in class at the recent RREC national rally at Burghley house.

A massive nut & bolt restoration of both mechanics & cosmetics had been performed upon this car over the course of several years to bring the car to perfection.

Not much more need be said. To drive it is like picking up a brand new Rolls Royce 20/25 90years late. The engine is silent. The interior brand new with correctly finished satin gloss woodwork rather than the incorrect high gloss we so often see in restorations.

If you seek the very best of the best then this car will stand any scrutiny. It is infact a 100 point car.
