ADDITIONAL INFORMATION / SERVICE HISTORY

1975 Bentley Corniche Convertible.

Chassis Number: DBH20473

Registration Number: KYL4P

In really lovely condition: This Rare Bentley Corniche has been looked after & maintained without regards to cost. Some £20,000 has been recently spent upon the car including replacing the sills & dealing with any corrosion issues.

The car is resplendent in dark green along with stone coloured leather to the interior and fine burr walnut woodwork. A brand new power roof was fitted not long ago & also a new snap on hood bag in dark green which really suits the car.

Although not present there is provision for a full split tonneau cover with fastener snap points already in place.

The car is currently celebratory owned & is being sold to make room in the garage for new acquisitions. The car has covered 83,000 miles from new & drives beautifully coming with a full history file attesting to proper repair & maintenance with considerable sums spent in the current ownership. It is a car that wants for nothing & is ready for extensive use.
