ADDITIONAL INFORMATION / SERVICE HISTORY

1973 Iso Rivolta Lele Sport

Registration Number: TML373M

This Iso Lele Sport is a rare car being one of just 20 examples produced with the high output 360hp 5.7 Litre Cleveland V8 Engine. It has had an extensive restoration of both body & mechanical components with some £80,000 having been spent by the current owner. All corrosion was cut out of the body & replaced with new metal where required. The engine was fully rebuilt & is now being run in. Last but not least the wheels are away being redubished to as new condition.

The interior is the correct one with patterned cloth centre peices to the seats. The exterior yellow paint has of course also been redone so the car presents beautifully.

The gear box is a 5 speed manual qwith a dog leg first to the left & backward. Th ecurrent odometer reading is 34,000 miles which is as it read when found dry stored.
