### VEHICLE DETAILS

#### ADDITIONAL INFORMATION / SERVICE HISTORY

2017 Jeep Wrangler 5 door Sahara Unlimited 3.6 litre Petrol Auto.

Vin Number: C4HJWLG3GL294241

Registration Number: HF66FPA

47485 miles from new & in immaculate condition. This Jeep wrangler was imported from salt free Japan & is thus in pristine condition It is a recent arrival UK registered & passed its MOT with no advisories. In fact the MOT garage noted it had seen such a clean underside on any car before!

This Jeep is finished in Immaculate black paintwork in super order throughout. The black leather interior is similarly in pristine condition with heated seats. This edition has the removeable freedom top roof panels for open air motoring. Original Jeep Rubber floor mats were installed from new protecting the carpets which again are like new.

Reversing camera running through to existing centre screen

Trail rated

Very neat storage for fixtures from roof removal to be stored in rear with removal

panal for rear jack.

Rear canvas Storage bags in boot area plus additional grab handles have been added. Heavy duty rear boot cover.

Camera and screen on passenger door showing nearside parking aid.

Some very nice Jeep personnalisation, windows, door assist handles. Doors protected by knock strips which illustrates how well this jeep was kept.

The car fires up instantly & pulls far harder then the UK supplied diesel models. The engine bay is in really lovely condition & the car as a whole has a very cared for feel to it. An all-weather Pioneer stereo system is installed with a huge Pioneer speaker installed in the rear boot area providing premium sounds.

The car sits on 4 recently fitted tyres with an unused spare mounted to the rear & has been just serviced and MOT'd so is absolutely ready to go. It comes with all the usual items one might expect such as electric windows, cruise control & air conditioning. It is a low mile way above average condition example.

Carr located South Somerset, but can be delivered.
