68,000 Miles from new & with a big service history. This is a car that has always been garaged & is thus in pristine condition. It comes to us with a big service history & clearly has been very well looked after.

The car is having a full checkover & service by marque specialists Colbrook specialists prior to sale so will be absolutely ready to go. The exterior paintwork in metallic fireglow red is in fine order as is the beige leather interior piped in red. The car has the usual large expanses of burr walnut again in pristine mirror polished order.

To sum up this is a car that wants for nothing & represents luxury trouble free motoring at a very competitive price point.
