Vintage & Prestige is proud to offer this stunning example of a 1960 Alfa Romeo Giulietta Sprint 1300, a hillclimb-ready car.

Located in Padova, this beautiful Alfa Romeo Giulietta Sprint is part of a collection of cars that were all maintained and restored by a well-known engineer and car enthusiast of his area. This Alfa Romeo Giulietta Sprint was his pride and joy, and it clearly shows considering its condition.

This Alfa Romeo presents itself in a gleaming Rosso Corsa exterior and two-tone black and grey fabric interior; inside you will also find a roll cage, fire extinguisher, extra gauges and Sabelt 4-point seatbelts. The car is, simply put, ready to be put on the road and track. Bosch extra fog lights have been fitted to the front.

The Alfa Romeo Giulietta Sprint was the child of some of the best designers of the era: a very young Giugiaro and the very well-experienced Michelotti, Ghia and

Boano. All of their efforts created one of the best-looking cars of the late 50s and 60s; with an estimated production of 100 to 200 units per year, the Giulietta Sprint sold 500 units at launch.

The Bialbero engine, widely known for its reliability, raw sound and excellent power output, runs smoothly and revs happily. This car has been extremely well looked after, keeping some of the original logbooks and plenty of history with it.

This 1960 Alfa Romeo Giulietta Sprint is also FIA certified with all the documentation present.

This Alfa Romeo Giulietta is ready to be driven away; viewings are highly encouraged, as we can guarantee you that you cannot not fall in love with it once you see it.
