ADDITIONAL INFORMATION / SERVICE HISTORY

2010 Rolls Royce Phantom Coupe

Registration Number: VUM1 (Not with car.)

A really lovely Phantom coupe with just 30,000 miles covered from new & low ownership. The car is finished in Black Diamond metallic to the bodywork with the bonnet & Windscreen surround being painted in Dark metallic blue as are black badge cars. The alloy wheels just fitted are brand new items with brand new tyres all round

To the interior is Moccasin hide along with matching carpets. Pleasingly the dash board is of traditional burr walnut giving the cabin a very traditional feel. The headlining is of Black hide. This car has been beautifully kept as part of a small collection of new & pre war Rolls Royce motor cars & the condition is a credit to its current fastidious keeper.

This is a well maintained car with history from Rolls Royce Edinburgh & also from local specialists Mulsanne Motors of Dalkeith. It has always been garage kept. Viewings are by appointment in central Edinburgh. We can collect the car & deliver it anywhere in the UK in a covered trailer or world wide for that matter.
