ADDITIONAL INFORMATION / SERVICE HISTORY

2024 Ineos Grenadier Fieldmaster

Vin Number: SC6GM1AB2PF009669

Registration Number: LG74ORX

3 Litre BMW Petrol Engine with 8 speed gear box.

As new condition with just 9000 miles from new & freshly serviced in June. This Grenadier comes to us from the Ineos management team & shows zero previous owner on the log book. This is a late 2024 car having been first registered in October of 2024.

The car is resplendent in unmarked metallic silver metallic paintwork with black leather hides to the interior. The car is well equipped with an unused tow bar, side rack equipment mounting points & side steps for ease of entry. It is equipped with the factory supplied tool kit & full size rear spare wheel etc etc.

Little more need be said as perfection needs but few words. Mileage will increase whilst it is in stock with us as its too nice not to drive. It is a simply beautiful example in one of the best colours. The pictures speak for themselves. We are

simpy amazed at how much better we like it compared to the old defenders we used to run which were sluggish & crude by comparison.
