A nice tidy black jeep Wrangler Sahara. This is a clean Japanese inport which has covered 72,000 miles from new. It has had all sorts of enhancements added to it including custom front & rear tubular chrome bumpers & also side step bars & a pair of chrome driving lamps. It has a brand new exhaust system just fitted.

The alloy wheels are also larger non standard items shod with brand new aggressive tread off road tyres. Wider arches were installed to accomodate the oversize wheels. To the inside is a premium green & beige Sahara interior in immaculate condition. A full size spare is fitted to the rear & the removeable hard top is in situ making the cabin snug in winter. The fuel filler cap is also a replacement chrome item.
