Vintage and Prestige are proud to be offering this 1993 Rolls Royce Mulliner Spur II Touring Limousine by Mulliner park Ward for sale. A rare Mulliner Limousine in fine condition having covered just 49,000 miles since new and comes to us service entirely by Rolls Royce Specialists

.

When new, the Rolls Royce Mulliner Spur II Touring Limousine cost a vast amount of money having been ordered with all the possible extras available at the time, including the rear CRT TV with VHS player, cd changer, remote controls, drinking cabinet, fridge and all the other boxes ticked. The Rolls Royce Mulliner Spur II Touring Limousine is finished outside in unmarked "King of Denmark" blue.

The Rolls Royce Mulliner Spur II has been fastidiously maintained and garaged all of its life, in recent years it has only been serviced by Nigel Sandell in south London.

The interior is opulence itself reflecting the very best of Rolls Royce ergonomics. The rear has two heated reclining seats with an additional jump seat for a body guard or cocktail waitress depending upon preference. A bar is located in the bulkhead along with a TV, video and state of the art sound system with 10x CD changer. Behind the seat divide is a refrigerator for cooling drinks and sandwiches.

The beige interior piped in blue and is in pristine condition all around. Lashings of highly figured Burr walnut adorn every imaginable surface being in perfect mirror polished condition. The Wilton carpets are dark blue and edge bound in grey. An electric division may be operated from front and rear, whilst the privacy blind may be only operated from the rear.

Under the bonnet the Rolls Royce Mulliner Spur Touring Limousine is as clean as would be expected from a Rolls Royce with such care lavished upon it. With just 49K miles, the Rolls Royce drives, looks and smells close to perfect. The vehicle is well suited to wedding or chauffeur work or possibly used as a mobile office/airport car etc. These Rolls Royce cars are not often available.

This Rolls Royce Silver Spur II Touring by Mulliner park ward is ready to be seen and driven away in our showroom in Northampton.
