ADDITIONAL INFORMATION / SERVICE HISTORY

1992 ROLLS ROYCE Silver Spirit 2

Chassis Number: SCAZSOOA5NCH44333

Registration Number: J729DYO

A very nice clean example with the all important massive service bill file showing the car to have been propely looked after. It has just turned 104,000 miles from new & drives superbly with taut yet supple suspension & a silent ride.

The car is finished in beautiful metallic blue to the exterior with the paint in fine order. Inside is cream leather piped in dark blue along with blue deep pile lambswool over rugs. The highly figured walnut dash is also in perfect condition. The story continues under the bonnet with a very tidy engine bay; the car having always been garaged from new.

To sum up this is a well maintained car in way above average condition & drives beautifully.
