ADDITIONAL INFORMATION / SERVICE HISTORY

1980 Rolls Royce Silver Shadow 2

Chassis Number: SRH0040351

Registration Number: OAH416V

50,000 miles from new & coming to us with a well stamped service book & some recent invoices. This Silver Shadow is in very nice corrosion free condition & drives beautifully.

The paintwork is willow gold & in good condition throughout. To the inteior is cream leather piped in dark brown & again in very lovely order. When new the car was specified with both front & rear head rests. Deep pile lambswool carpets are found under foot.

The story continues under the bonnet with a tidy engine bay in good order with the car always having been garage kept. On the road the car drives beautifully & exactly as one would expect. with a silent powerful engine & supple suspension making for a cosseting ride allied to finger tip light power steering.

All in all this a well above average example in very nice condition throughout.
