2008 AC Ram Cobra 302 Ci

Chassis Number: 2C1517BW

registration Number: OPF3E

Finished with an original classic look & period correct number plate. This is a well built properly set up Vorba that has been with a long term enthusiast owner whom has spent considerable time & money improving the car & getting to look as much like an original as possible. He purchased it from Cobra specialists Total Head Turners for £42K & has spent a lot on it since.. The engine is a piece of art sounding wonderful & makes it go even better than it looks. Not one for the faint of heart that is for sure.

Stunning classic Blue metallic coachwork.

Chrome bumpers front and rear, Chrome mirror, Sun visors and wind deflectors, full Cobra badge set, Double hoop roll bars, Central Aston style Le-mans fuel filler, Polished Aluminium stone guards,

etc

Beautiful black anodized 15" Halibrand alloys with silver knock off spinners,

Awesome power from a Tuned Ford 302ci 5000cc V8, Rolling road print out shows 376.5 bhp !!!

Engine fitted with Edelbrock performance heads and inlet manifold, 4 barrel Holley carburettor, K&N Hi performance air filter, Hyfire/msd special performance ignition system, remote oil filter and front mounted oil cooler, Performance Fuel pump with filter king pressure regulator.

Beautifully dressed with Edelbrock polished rocker covers, Aluminium riveted bulk head, Silicone performance hoses, stainless steel header tank,

Big bore underslung exhaust system with stainless steel back boxes. Bolt off hard top makes for snug and cosy winter motoring.

This combined with the long geared 4 speed ford box makes for a monster quick car!

The interior is finished in grey wilton carpets with black seatsk, Blue Luke harness seat belts, Black with chrome bezel classic dials, Moto-lita wood rim steering wheel making for a great authentic feeling cockpit! Battery cut off key. Large history file

A great Reynard F1 designed chassis Cobra with a Monster quick Ford V8 ready to go.

This car come in as a part exchange from a long term enthusiast owner who traded it to us for a very valuable vintage motorcycle with a view to his longevity.
