ADDITIONAL INFORMATION / SERVICE HISTORY

1974 Jaguar Suffolk SS100

A Beautifully constructed & like new condition Jaguar SS100 by Suffolk.

This Suffolk SS has seen but few miles since a very high quality build & is in like new condition & UK registered coming to us as an estate sale.

Under the bonnet is a 4.2 Litre tuned Jaguar engine mated to a 4 speed gear box with overdrive. Needless to say given the engines state of tune & the cars lack of weight this is a very very quick machine.

The car is finished in unmarked metallic Silver paintwork. To the interior is maroon hide & matching carpets. The wheels are also anodized in Maroon with chrome knock off spinners. This car has all the usual SS100 emblems & instrumentation making it difficult to discern from an original other than the asking price.

It is in stock now and immediately available. The car is simply a pleasure to drive, handling well, making all the right noises & has lovely supple suspension allied to excellent road holding.
