Freshly imported from Japan, this lovely 2016 Jeep Wrangler 75th Anniversary Edition, presents itself in impeccable condition in and out, having covered a scant 33k miles from new, with freedom panels at the front and a detachable roof at the back, making it the perfect summer and winter car.

This 2016 Jeep Wrangler is finished in limited Sarge Green outside, complemented with tan leather inside, embossed with the 75th Anniversary edition logo.

The car has been very well looked after, comes with service history from Japan, has

auction paper showing grade 4, has new brakes and pads all around, and has a rear view camera. Moreover, Japanese roads never get salted during the winter, so the car comes very clean underneath, showing no rust and a brand new feel to it.

Low bronze accents are present all around, including the 17" alloys shod with Goodyear Wrangler Silent Armor tires; the grille is color-matched to the body plus a unique bonnet with a functional "Power Dome" with air vents.

Rock Rails are also fitted from factory to protect the lower body sills.

Inside the 75th Anniversary edition comes equipped with front heated leather seats with sport mesh inserts and tangerine stitching and an embossed "1941 75th Anniversary Edition" logo on the backrests. Bezels and accent trim are finished in Moroccan sun satin paint and a dedicated passenger-side grab handle.

This 2016 Jeep Wrangler comes equipped with. The 3.6 Pentastar V6 petrol engine, has all the upgrades that came in 2015 to prevent all the common issues of the previous generation, making it a much more reliable engine and a smoother ride.

This 2016 Jeep Wrangler 75th Anniversary edition is ready to be seen and driven away from our showroom in Northampton.
