Brand new.

This car comes to us with delivery mileage only. It is finished in Ice White exterior paint. To the interior is Beluga Black hide with Imperial Blue secondary hide, piping & stitching. The carpets are also Beluga.

The car was ordered to Mulliner Driving specification. The seats & door cards are of Quilted Black hide. The front seats are heated, massaging & ventilated. The rear seats are all also heated & power operated. A sunroof is also fitted. The car sits on 19" classic alloy wheels.

This is a brand new car in new order though out having done just a few hundred miles. We took it as a Part exchange against a Rolls Royce Phantom as the man who purchased it new found it to be a little too fast for his needs.
