ADDITIONAL INFORMATION / SERVICE HISTORY

1927 Rolls Royce 20hp Hooper Limousine

Chassis number: GHJ53

Registration number: YH9838

Vintage and Prestige Fine Motor Cars are proud to be offering this Rolls Royce 20hp Hooper Limousine for sale. Ordered new by a Scottish Laird; we last sold this Rolls Royce 20hp Hooper Limousine to a prominent Moscow collection some eight years ago. Since then the Rolls Royce 20hp Hooper Limousine has seen no use at all and comes back to us with the same mileage as when it left. We have given this Rolls Royce 20hp Hooper Limousine a thorough re-commissioning service and with the vehicle running beautifully.

This is a one owner driver car with no glass division, but is fitted with seven seats allowing for large parties to be catered to. A pair of occasional seats folds out of the bulkhead as does two picnic tables.

In recent years the Rolls Royce 20hp Hooper Limousine has had fresh tan leather upholstery fitted to the front seats with pale grey West of England cloth installed in the rear complemented by champagne carpets. The woodwork is all in good order and the requisite instruments are in their appointed places on the dash board.

The Aluminum coachwork is a fine example by Hooper's who produced

quite a number of these wonderful Rolls Royce limousines. The roof has the usual weight saving rexine insert. All six windows wind down making for a light and breezy feel when motoring on warmer days, augmented by the twin windscreen top openings.

Mechanically the Rolls Royce 20hp Hooper Limousine is in great condition. The Rolls Royce 20hp Hooper Limousine has had a top end overhaul not many miles ago and as a result, runs very sweetly in near silence. Oil pressure is very good and the Rolls Royce 20hp Hooper Limousine runs cool at all times. The engine bay is tidy. A large klaxon is fitted to the bulkhead. Wheel covers are fitted all round including to the spare. A pyrex style brass fire extinguisher is fitted under the passenger door although we would not wish to vouch for its serviceability.

This is a delightful little Rolls Royce 20hp Hooper Limousine with a powerful period feels to it. It is well suited to weddings given its seven seat configuration, but equally at home parked in a flowery field on picnics; we have fond memories of such excursions when we had the car eight years ago.
