Vintage & Prestige fine motor cars are delighted to offer for sale this 1982 Triumph TR7 V8 Roadster.

This is a one-off street legal track day event car which has the V8 'Corvette' sounding race car engine.

Not only will the sound impress, but the sheer amount of torque available from standstill. It leaves most other cars standing and with a power to weight ratio of around 200+bhp/ton, it is a serious performance car (perfect for Goodwood Revival or Shelsey Walsh Hill climb events). With the four wheel disc brake set up, you can also use the performance to the full, safe in the knowledge that it can stop as well as it can accelerate.

This Triumph TR7 V8 Roadster car has covered a scant 2,804 miles since it's bare metal rebuild. The previous owner tells us it had 117 miles on the clock when purchased in 2009.

The TR7 comes with a spare engine block & heads still in their wrappers, in case the next owner is serious about racing!

The paintwork is flawless, finished in 'Ferrari Rosso Corsa Red' contrasting beautifully with the 'Dark Blue' coloured hides to the seats. Wilton Claret Red wool carpets finish the ensemble.

Under the bonnet lurks the powerful 4.6 litre V8 engine, mated with a 5-speed SD1 box makes for truly electrifying performance.
